Introductions

Sports Updates: The Girl's Basketball had some big wins recently, while the boys have had some tough losses. The hockey team is currently 13-6-1 with a big game on the 21st. All students are encouraged to attend. Numbers are down for the wrestling team however there are several boys who should be state contenders. The Smith Sweeney Gymnastics Invitational is February 2nd. This is a big money maker for the team and they could use some volunteer help.

Casino Royale Update – Michelle Moriarty

Michelle introduced her new event chair, Julie Yale. Julie handed out some informational sheets updating us on the co-curricular grants that have been issued. She also gave parent reps a sample letter for community business leaders who might wish to become event sponsors. At the next meeting, Michelle will update us on exactly who our big sponsors are. Michelle would like to encourage coaches to come up with "wish lists" of items their teams need/want. The biggest money maker at the event is the auction items. Live auction items are due March 1st. New this year, if your team turns in auction items by February 20, you could win \$250. April 20th is last turn in date. Casino Royale is April 28 at Ohio Dominican University.

Motion to Adjourn: 7:55 pm
